will be impossible to do more than many claims living, if even that. The correspondent knows more than the editer.

It was more than the editer.

It was stated to empechend that we hold our column open for public discussion, and that the political engineers of the Mart. are always welloom to any space, in reason in which to express their artitioners, even though they do differ from our own views. It is not any art of our polity to age free discussion. It is possible to that our our respondent does "know more than the editor." We can safely afford to leave any conclusion in that respect to a leave paying which is the sature and highly distinguished artist who does Mr. Silton's work in the columns of the Sun. We do not undertake to indillere our readers, into our opanions—we have too moth respect for the average intelligence of the Conservative majority of the Province. Such facts and exponentiase we only present to them, they exercise their individual poliquent upon, and Mr. Siffori's fate in the recut election ought at least to conviace his exposit that if we do not influence, was are at least in accord with, the respective We are inclined to think that if Mr. Siffori's fate in the recut election ought at least to conviace his exposit that if we do not influence, was are at least in accord with, the respective We are inclined to think that if Mr. Siffori's the world make a handsome speculation. But we would make a handsome speculation. would buy up his organist at what he rth, and sell him at his own valuation, uld make a handsome speculation. But and not like to say so.

This title is given by our local contemporary, at second hand, from a Winnipeg paper, which it seems to be ashamed to mention, to Hon. A. A. C. I striver, the Irevincial Scortary, but it is broadly intimated that the term "busy" is meant as it were, "sover the blift." These papers complain, in the absence of an real or reasonable grievance, that Mr. Lariviere has been absent from his office steading to the promotion of certain colons. term whosy" is meant as it were, "over the left." These spares compliant in the absence of an real or reasonable grievance, that Mr. Latvisers has been absent from his office attending to the promotion of certain colors. The present control of the promotion of certain colors. They seem to imagine that the whole daty of a Provincial Scentary is to at a deals and at the servince against and produced and the scripts and broader ideas of recorder of the cabinet proceedings. Fortunately for the Province, Mr. Latvisers and his colleagues have higher and broader ideas of the duties of a Minister of State, and we don't faculty that the general public will opinish realy longit, if mere cleinal duties are left to subundinates whilestatementally enterprises, calculated to advance the progress of the Provinces occupy the attention of the Provinces occupy th

The fend in human form who handled our editorial typus yeaterday, made us intimate that there was a possibility of the Winnipeg Times "urging the whole (fift) hog." Of course the intention of the writer who was thus victimized, was to make use of the term "go the whole hog," which, though rather slangy, and by no mean alegant or explositist, apply describes the plunge enals by the extery and the state of the state of

T. W. McDenmorr, the popular auction-ers, will, at 10 o'clock, to day, sell a quantity o' stook, and also some patent pumpe, at Wilson's Auction Mart. See advertisement.

Sarvicus will be held to morrow in the lands Methodist Church, at II a.m. and 7 .m. In the amening. Rev. Mr. Roderick will peach, and in the creming the services will be conducted by the Rev. C. Williams.

Mn. Mckinson, a settler from the Tottle Mountain district, reports the love by fire a few days ago of a steam threshing machine and three loundred bushels of what, most of which was in logs. The total loss is about \$800.

The proprietor of the Harris House is about to extend and renorate his premises. The present diningerous will be thrown into the hillhard hall, and a piano introduced for "free and easy" actials in the Old Country style. An additional store will be added to the present premises to do duty in the place of the present injunction.

An additional store with the place of the present premies to do daty in the place of the present dising-room.

Mr. F. C. Ewen starts for Moose Jaw to day with a complete outlif for a newspaper, the first ione of which will appear at an arriy date. Mr. Ewer has received very substantial assurances from the enterprising people of that promising town, and being a capable and worthy young man success can carroly full to attend his centure.—Free

Press.

An apparent attempt at incendiarism was at a late hour on Thursday crossing discovered in the train of the Toursday of acts, in connection with the circumstance, but as the charge is a very actions one, we forbest further reference to it, as the facts of the case will be still brought out at the enquiry which will take place this morning.

A FIRS occurred last night about 10.30 at Palience, totally destroying the post office and country residence of E. M. Portier, P. M., taugher with a stock of goeds and a lot of valuable papers belonging to Mr. Westnerly, deputy postmaster. Total loss about \$1,500 on insurance. Mr. Westberley had burnt a quantity of chips and other rubbish near the house in the atternoon, which the reat wind found into flames again in the evening and carried sparks which et fire to the building.

The Literary Association in connection with the Presidence of the second of the connection of the connection with the Presidentic Connection of the connection of the

Messia-Lokhart and Robinson, was effectively rendered and received due applaine.

Mr. Basell recited "The Ludy of Provence" in good style, after which Mr. Brace gave a selection on the accordeen. Mr. Go. Fraser, been delivered his "imprompte" speech, and the programme closed by the choir sing mg.
